Re: Zoning Case C14-2018-0079; Asian American Cultural Center

Dear Ms. Sirwaitis,

We have met with our neighbors several times in the past few years and would like to visit with them one more time to clarify any question they might have in regard to our project and our request to the zoning change.

In order to accommodate the schedule of different parties, we would like to request a postponement of our case to present to the ZAP Commission from October 2nd to November 6th, 2018.

Should you have any question, please feel free to contact me at 512-336-5069. Thank you.

Sincerely,

Amy Wong Mok, M.Ed.
